

GREEN COUNTY INFORMATION TECHNOLOGY COMMITTEE MINUTES

DATE: Monday, February 13, 2023
LOCATION: Green County Government Services Building
Lower Level IT Conference Room 1 & 2

TIME: 4:30 PM

Members Present:

Kathy Pennington
Jody Hoesly
Will Oemichen

Others Present:

Ryan Camron
Olivia Otte
Troy Maggied
Griffin Koziol

The meeting was called to order at 4:36 PM by Chair Pennington.

Motion by Hoesly, seconded by Oemichen to approve the January 19, 2023, meeting minutes with an amended to correct the following “Discussion took place on moving the meeting to February 16, however schedules do not align at this time.”. Motion carried on a voice vote.

Troy Maggied and Griffin Koziol from South West Wisconsin Regional Planning Commission reviewed the scope of work for developing Green County’s Broadband Strategy and GIS Mapping data. Discussion took place on potential additions to the maps to include FCC, DPI, and Green County Highway Permit data. SWWRPC will update the maps to reflect the requested additions. Next steps in the process will be to perform outreach to Towns, Schools, and businesses.

Due to time constraints all other agenda items were tabled.

Motion by Chair Pennington, seconded by Hoesly to adjourn at 6:13 PM. Motion carried on a voice vote.
