

RESOLUTION 6-4-25

Resolution to Dissolve Aging & Disability Resource Center (ADRC) of Southwest Wisconsin and Approving the Application to Become a Single-county ADRC

WHEREAS, the Aging and Disability Resource Center (ADRC) of Southwest Wisconsin consisting of a regional consortium of Green, Iowa, Grant and Lafayette Counties started operating in June of 2008; and

WHEREAS, Green County has served as the lead agency handling the contractual, financial, and program responsibilities for the regional ADRC through a contract with the Wisconsin Department of Health Services and each member County; and

WHEREAS, Green County has appreciated and benefitted from the relationship with Iowa, Grant, and Lafayette Counties; and

WHEREAS, in FY2024 the Wisconsin Department of Health Services changed the funding formula for ADRCs removing a financial incentive to be part of a Regional ADRC; and

WHEREAS, the Human Services Board reviewed Green County's participation in the Regional ADRC as part of an ongoing review of non-mandated programs and explored multiple options from remaining in the Regional ADRC, reducing Regional ADRC Staff to 1.0 FTE, and withdrawing from the ADRC; and

WHEREAS, after evaluating the pros and cons of each model it was determined that Green County would be best served as a Single County ADRC fully integrated with Aging Services and to withdraw from the ADRC of Southwest Wisconsin; and

WHEREAS, the ADRC of Green County and Human Services Administration Division are well equipped to handle the financial and programmatic planning and reporting for the ADRC of Green County that is currently handled by the Regional Office; and

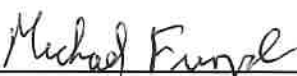

WHEREAS, this change will have no impact on the Wisconsin Department of Health Services funding allocation for the ADRC in Green County and will direct funding that was put towards the Regional ADRC to local programs and services.

NOW, THEREFORE, BE IT RESOLVED that the Green County Board of Supervisors approves the Dissolution of the ADRC of Southwest Wisconsin effective 12/31/2025; and

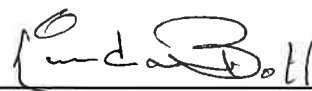

BE IT FURTHER RESOLVED that Green County Human Services be authorized to apply to operate a Single County ADRC fully integrated with Aging Services effective 1/1/2026; and
