### **PROJECT INFORMATION**

Green County in conjunction with the Wisconsin Department of Transportation, is proposing a bridge replacement project on County Highway C over the Sugar River. The project will include a bridge replacement and approach reconstruction for a total project length of approximately 400 feet.

### **PROJECT PURPOSE**

The purpose of the Proposed Action is to retain the existing investment in infrastructure and connectivity while enhancing safety along this segment of County Highway C in Green County. The existing bridge is structurally deficient with a sufficiency rating of 45.7 on a scale of 100.

### **PROPOSED IMPROVEMENTS**

- A bridge replacement, which includes replacement of the existing structure with a two-span prestressed girder bridge.
- Replacement of the existing approaches with new asphalt roadway.

### **OTHER INFORMATION**

- Permanent right-of-way acquisition is not anticipated.
- The bridge and road approaches will be closed during construction.

### **NEXT STEPS**

- Final Plan Submittal – August 2022
- Construction Begins - Winter 2023
- Total Construction Time - Approximately 3.5 - 4 months.
